RINGERWOLE ORGAN RECITAL: This year marks the 8th year of the Ringerwole Organ Recital Series at Dordt University. The Fall 2020 recital will be presented by internationally-acclaimed organist Isabelle Demers at 7:30 p.m. on Saturday, November 7, in the B.J. Haan Auditorium. A native of Québec and a graduate of the Juilliard School, Dr. Demers is Head of the Organ Program at Baylor University in Texas. Her program includes works by Bruhns, Bach, and Mendelssohn; selections from Alkan's Etudes for the Feet, two works by living composers, Rachel Laurin and Jason Roberts, and her own transcription of Beethoven's Symphony no. 5. The Joan Ringerwole Organ Recital series seeks to promote the organ and its repertoire for the musical education and enjoyment of students, alumni, and the community by bringing nationally-acclaimed organists to Dordt. Masks are required for all recital attendees and seating will be socially distanced.
