**Kelly Kopic @ Dordt University:** Kelly Kopic, author of *Embodied Hope: A Theological Meditation on Pain and Suffering*, will be speaking at Dordt University on Monday, August 22 from 7:30-8:30 p.m. in SB1606. Kopic addresses the hard questions about pain and suffering without giving easy answers. Looking at Scripture as well as sharing from his own family's experience with pain and suffering, Kopic points the reader to the example of Jesus, whose own pain and suffering provided us with hope of being lifted out of our own dark valleys.

**From the Dordt Music Department:** Carrie Groenewold, Associate Professor of Church Music and Organ, will be presenting a faculty recital on Saturday, September 3 at 7:30 p.m. in the B.J. Haan Auditorium. Featuring a variety of works and genres, the recital will include the exciting *Pièce d'Orgue* by Johann Sebastian Bach, a jazz setting of "What a Friend We Have in Jesus" by living composer William Bolcom, and will culminate with the well-known *Carillon de Westminster* by Louis Vierne. The Casavant organ has recently undergone a major repair, including replacement of the largest pedal pipes in the façade, and this recital will celebrate the work completed to restore this instrument.

Lewis, Dietrich Bonhoeffer and more, MYSTERY is a faith-based musical that will make you laugh and cry, but will also grapple with big questions about God.
